The party hats are ready and the decorations are up. The Christmas cards are on their way and the Christmas concert will be alright (fingers crossed) on the night! What now?

How about arranging a visit to the Severn Valley Railway and a journey for the children with Father Christmas along the stunning Severn Valley?

Following a brief rest in 2007 our Christmas Cracker Expresses are back, with all the fun of a journey by steam train in the company of Father Christmas and his little helpers.

Following a festive arrival at our beautifully decorated station at Kidderminster, join your train for a journey into the Worcestershire and Shropshire countryside.

With party hats for all and a present from Father Christmas for the children, what a great way to round off a busy term!

This Christmas service for schools always attracts considerable interest and early booking is strongly recommended.
