

School Education Service

OPEN TRACKS

at

THE ENGINE HOUSE

our exciting new
VISITOR AND EDUCATION CENTRE
 situated in the heart of the
SEVERN VALLEY

Complimentary preview days for teachers,
 classroom assistants and others
 who work with children.

Thinking about bringing pupils to the Severn Valley Railway on an educational visit linked to the National Curriculum?

Already booked one of our special events?

Aware of the exciting development at our brand new Engine House ?

Uncertain how the SVR can enrich children's experiences?

Then ...at NO charge and with NO strings attached why not travel with a colleague by heritage steam train from Kidderminster, Bewdley or Bridgnorth to The Engine House at Highley?

As guests of the School Education Service up to two teachers (or other appropriate staff) can experience the thrill of a journey by heritage steam train along the beautiful Severn Valley and then take in the sights, sounds and smells of our magnificent display of steam locomotives and rail vehicles in The Engine House.

Our education staff will greet you at Kidderminster or Bridgnorth and escort you to The Engine House. During your train journey we will point out features of particular interest and indicate places where educational opportunities exist for your children.

On arrival at The Engine House tea and coffee will be provided and, after a short briefing, you will be given a guided tour. The learning possibilities are endless and you are sure to be inspired by the events and tailored programmes we offer to schools and youth groups.

A complimentary buffet lunch will be provided in our new Buffers Gallery Restaurant and there will be plenty of opportunities to answer questions and deal with any concerns you may have about a possible educational visit.

The day will finish with a return journey to your starting point.

If you would like to book a place for yourself and a colleague please complete and return the booking form to The Engine House as soon as possible.
