JUNIOR WILD TRACKS! 2015

Suitability - All age groups

Take your children on Safari and let them experience wild animals at close quarters. Marvel at the white lions, the stripes of the zebras and the graceful necks of the giraffes. Watch as the elephants play and the hippopotamuses wallow.

This package gives you the opportunity to tour the Animal Reserve and Discovery Trail at West Midland Safari Park and take an exciting journey by heritage steam train all on the same day!

Travel by train from Bridgnorth along the Severn Valley passing through picturesque stations and beautiful countryside with panoramic views of the River Severn. A Kidderminster departure, with a shorter journey to Bewdley, is also possible. Please ask for details.

The Discovery Trail includes the Twilight Cave, Creepy Crawlies, Sea Quarium, Mark O'Shea's Reptile World, Sea Lion Theatre and the Penguin Cove, along with a range of daily animal encounters.

In addition to schools, this package is also particularly suitable for those organising summer play and activity schemes.

Added Features!

Included in the package is a free Safari Ranger per school. An experienced ranger will join your coach and guide you through the safari drive-through.

For a small extra cost the Safari Park learning department offers 'Walking Safaris' and hands-on Discovery Sessions with a range of creepy crawlies and friendly furries!

Please contact the Safari Park directly for details of the added features. Telephone number 01299 404888 or learning@wmssp.co.uk.
