HABITATS

KIDDERMINSTER DEPARTURE

WHAT'S INCLUDED

Take the train to the Severn Valley Country Park where you will be met by an experienced park ranger. Children are then encouraged to develop their identification and recording skills whilst gaining an understanding of a variety of wildlife and their habitats. Using sweep nets, log searching, or pond dipping children can collect and study animals from various habitats. This allows them to observe and then consider the adaptations that they have made to live under different conditions.

Choose from two habitats from:

www.svr.co.uk/education.aspx

We cannot emphasise enough the importance of this publication in ensuring that your day with us goes smoothly and is accident free. Every school visit must have an appropriate risk assessment in place. Please note that our risk assessment is intended for you to use as a guide, and should not replace your own risk assessment.

Although our staff are very experienced, **ultimate responsibility for pupil safety and behaviour rests with school staff**. Pupils must be supervised at all times.

Please ensure that your coach driver drops you off at the front entrance of the station, where you will be greeted by members of our team. Coaches should then park on the Severn Valley Railway car park at the side of the station. Coach parking permits are provided and should be exchanged for a car park token at the station.
