TEACHER PREVIEW EXPERIENCE 2015

Complimentary preview day for teachers

along the Severn Valley? We will include a parking permit for Kidderminster or Bridgnorth station!

Visit The Engine House, our Visitor & Education Centre where, by arrangement, one of our Education Service staff maybe on hand to meet and discuss ideas with you.

As guests of the SVR Education Service up to two teachers (or other appropriate staff) can experience the thrill of a journey by heritage steam train along the beautiful Severn Valley and then take in the sights, sounds and smells of our magnificent display of steam locomotives and rail vehicles in The Engine House.

Two weeks notice is required and the below application MUST be completed.

- ◆ Have you already booked one of our special events?
- ◆ Would a site visit assist with completing a risk assessment?
- ◆ Are you aware of the on-going developments at our Visitor & Education Centre called The Engine House ?
- ◆ Do you know how the SVR can enrich experiences outside the classroom?

If the answer is YES then, at NO charge and with NO strings attached, why not travel with a colleague by heritage steam train from Kidderminster, Bewdley or Bridgnorth and experience the opportunities that exist
