"First to Die!"
SATURDAY 9 NOVEMBER 2019

It is 9 November 1935, spring has arrived after a long hard winter and, although the newspapers are full of stories about war with Germany once again looming on the horizon, no-one really believes it will come to that and anyway, it is spring! The time for love and romance.

Thus, as Ivor Dunnitt and his girlfriend Win King board the 7.30pm express from Kidderminster to Bridgnorth, they are happy and relaxed, enjoying each others company and looking forward to their secret, romantic escape to the countryside. Not even the appearance of Nora Bone, a spiteful and nasty work colleague of Win's, can dampen their spirits. However, the appearance of Rob Berry and Ed Butt, two rogues and ne'er-do-wells, put an altogether more sinister complexion on the journey and one could be forgiven for wondering who would be 'the first to die!'

By coincidence, Detective Inspector Alfred Crowther is boarding the train at Bridgnorth, travelling to his home in Arley after completing a long and tedious shift at Bridgnorth Police Station. Unfortunately for him, a Poit-e-man is never off duty and so when a murder occurs, it is his duty to investigate and you may rest assured that he will discover the guilty and make his arrest!

So join us and dine in fine style as you travel through the magnificent Severn Valley aboard an authentic steam train. Enjoy the camaraderie and banter with fellow passengers as a Murder takes place before your very eyes and you are invited to assist Inspector Crowther in bringing the guilty to justice! We look forward to welcoming you.
