

**Spring Steam Gala**  
**April 16th, 17th, 18th, 19th**

We've had to accommodate a number of operational restrictions in our Spring Steam Gala timetable this year, including speed restrictions along the line due to the Falling Sands Viaduct restoration work and recent weather conditions. We have not directly been affected by flooding, but it has left us with some areas of concern. Therefore, we have not been able to fit as much as we'd like into each day. We are, however, determined to make sure the event is as exciting and interesting in possible! Look out for GWR Saint No. 2999 Lady of Legend hauling our Great Western carriages, evening specials on Friday and Saturday, tank engine double-headers, brake van rides at Kidderminster and a special goods train that hasn't been seen along the line in many years!
