

Where to sit on the train...

You may have seen that some of our trains are longer than the platforms they stop in! Our trains usually have 6, 7 or 8 carriages, but a number of our stations have platforms shorter than this.

To help plan your day, and to make sure the carriage you sit in will be in the platform for you to disembark, please take note of the following:

Once aboard, if you're leaving the train at:	Heading northbound (towards Bridgnorth), please sit in:	Heading southbound (towards Kidderminster), please sit in:
