### Help us to help you

- To comply with new government guidelines, you must wear a face covering when in our shops, train corridors and open carriage tables, unless exempt. Face coverings are strongly recommended in shared indoor or enclosed spaces, such as our toilets, bars, restaurants and ticket offices, unless consuming food or drink. You can remove your face covering when seated in a private compartment and the door is closed. Follow all signage and guidance from staff. We are here to ensure you have a fantastic day.
- Please bring your email confirmation with you to check in. This can be printed or presented on your mobile device. At the booking office, you will be given your wristbands.
- Wash your hands regularly, especially before boarding and after leaving the train.
- Please use contactless card payments if you can.
- Dispose of all litter responsibly in the waste bins at stations, or take it home.

We ask all passengers to respect each other, our team of volunteers and staff and our guidelines. Anti-social behaviour will not be tolerated.
